Who We Are

ProCloud Training Center established in May 2014 to provide high quality professional development programs, after more than 3 years of offering succesful training projects under the name of ProCloud Consultancy & Technologies.

ProCloud started as a local training provider for IT, Soft Skills, Marketing, English and Health & Safety courses and evolved to internationally accredited training provider for many awarding bodies including CISCO, Oracle, Microsoft, EC-Council, City&Guilds, Android Training Center (ATC), Adobe, Autodesk, Digital Marketing Institute (DMI).

ProCloud is Also an accredited center for many international test providers, such as Pearson VUE, Certiport, Nextec, Castle, EC-Council, Oxford Exam and BeingCert.

ProCloud has received the degree of " Good " during its Quality Assurance Review conducted by the Bahraini National Quality Assurance Authority BQA for Education and Vocational Training in May 2017.

Vision
